OTHER SERVICES

WEBSITE DEVELOPMENT

We deliver inspired website design, website development, ecommerce development and content management solutions to schools to boost their online performance and digital brand awareness.

GRAPHIC DESIGN & PRINT

Turn your design briefs and ideas into something amazing. Let our award winning agency bring your school to life with modern creative designs for your business. We also offer print, so just ask us.

MARKETING

Let us communicate your schools story and raise your profile to explore the best voice to your parents via social media marketing, SEO, PPC, inbound marketing, email marketing, and PR.

SCHOOL WEAR

Turn your design briefs and ideas into something amazing. Let our award-winning agency bring your school to life with high-quality logo designs, print material and uniforms for your school.

HOW DO I PROCEED?

It's really simple! In order to start a partnership with North East Schools, all you have to do is book a school visit where we can perform an in-depth school audit on your current IT infrastructure, hardware, third party applications, and a cyber security review.
