TECH FOR EDUCATION

A letter appeared on the doorstep.
It was addressed to someone who hadn't been born yet...

Write, draw or tell your story out loud.

Who sent it?

Who could've sent this letter that has appeared on your doorstep?
It must be important...

What was inside

Was there more in the envelope?
When you opened the letter you found...

What happens next?

Have you got everything?
Let the journey begin...
